We offer you free update for 365 [Testking NSE7_SDW-6.4 Learning Materials](#) days, so that you can obtain the latest information for the exam.

**NEW QUESTION: 1**

Heartened by the knowledge that Polly was not altogether a cretin, I began a long, patient review of all I had told her. Over and over and over again I cited instances, pointed out flaws, kept hammering away without letup. It was like digging a tunnel. At first everything was work, sweat, and darkness. I had no idea when I would reach the light, or even if I would. But I persisted. I pounded and clawed and scraped, and finally I was rewarded. I saw a chink of light. And then the chink got bigger and the sun came pouring in and all was bright.

Five grueling nights this took, but it was worth it. I had made a logician out of Polly; I had taught her to think. My job was done. She was worthy of me at last. She was a fit wife for me, a proper hostess for my many mansions, a suitable mother for my well-heeled children.

It must not be thought that I was without love for this girl. Quite the contrary. Just as Pygmalion loved the perfect woman he had fashioned, so I loved mine. I decided to acquaint her with my feelings at our very next meeting. The time had come to change our relationship from academic to romantic.

"Polly," I said when next we sat beneath our oak, "tonight we will not discuss fallacies."

"Aw, gee," she said, disappointed.

"My dear," I said, favoring her with a smile, "we have now spent five evenings together. We have gotten along splendidly. It is clear that we are well matched."

"Hasty Generalization," said Polly brightly.

"I beg your pardon," said I.

"Hasty Generalization," she repeated. "How can you say that we are well matched on the basis of only five dates?" I chuckled with amusement. The dear child had learned her lessons well.

"My dear," I said, patting her hand in a tolerant manner, "five dates is plenty.

After all, you don't have to eat a whole cake to know that it's good."

"False Analogy," said Polly promptly.

"I'm not a cake. I'm a girl."

I chuckled with somewhat less amusement.

The narrator's attitude toward Polly can best be described as

**A.** loving.
**B.** condescending.
**C.** sympathetic.
**D.** indifferent.

**Answer: B**
